

MAKING YOUR AREA SAFER

OPERATION FROST – Your Christmas Operation Starting 8 December 2009

GMP and Partners will be working in the commercial areas of the City to tackle crime and antisocial behaviour.

- You will see more Police Officers on foot patrol
- You will receive regular visits from Police Officers during the operation
- There will be multi-agency street sweeps dealing with street management issues
- We will proactively tackle begging and rough sleeping issues
- We will have dedicated Crime Scene Investigators to improve our service to victims of crime
- We will have stalls providing crime reduction advice and equipment
- We will run a dedicated Crime Prevention Christmas Campaign.

- If you are experiencing domestic abuse, call the Women's Domestic Abuse Helpline on **0161 636 7525**.
- If you are a victim of a hate crime, which you or anyone else believes is motivated by the offender's prejudice or hatred of you because of your race, religion, gender, sexual orientation or disability, call **08000 830 007**.
- If you would like to talk to someone in confidence about the effects of crime, call Victim Support & Witness Service on **0845 30 30 9000**.
- To receive confidential unbiased information about drugs, call Frank on **0800 77 66 00**.

Together, agencies in the Crime and Disorder Reduction Partnership (CDRP) work as **1 team** to make Manchester a safer place to live, work and enjoy.

The **1 team** will:

- listen to your concerns about your local neighbourhood
- tackle crime and disorder issues swiftly and effectively
- keep you up to date about the work we are doing and the outcomes we achieve.
